Rider University Footnotes:

∞ Students have a number of options to satisfy this requirement; courses will be evaluated on an individual basis.

For transfer credit the Mercer student must have a grade of "C" or higher in all courses for transfer credit.

The curriculum is designed to provide a seamless transition from an Associate degree or diploma program, building on student experiences in allied health professions.

Separate clinicals are not required.

Mercer graduates should be nationally certified in Radiography and possess current registration with the American Registry of Radiologic Technologists.

∞ - Rider prefers Mercer students take ENG-102-English Composition II as it is a direct equivalent at Rider

Requirements are subject to change. This Advising Guide is best used in consultation with an advisor.
